*Sloth, book seven in the Love is Cure, Vol. 1 - Vices & Virtues Series*

## ABOUT ME

Brookelyn Mosley embarked on her writing journey nearly a decade ago, driven by a passion for storytelling and a deep love for the romance genre. Over the years, she has honed her craft, creating novels and novellas that captivate readers with their complex characters, emotional depth, and relatable themes. Her Love Is Cure, Vol. 1 – Vices & Virtues series has garnered praise for its nuanced exploration of love, redemption, and the challenges of personal growth. With a background in Psychology and Journalism, Brookelyn brings a unique perspective to her writing, drawing on her experiences to craft stories that resonate on a personal level. Beyond writing, Brookelyn is an avid yoga enthusiast, a dedicated reader, and a proud advocate for the importance of storytelling in building connections and fostering personal growth. She is excited to share her latest work, Sloth, offering a powerful conclusion to her beloved series.

# EXCERPT

## CHAPTER 5

"Let's meet up later," Simeon suggested.

I scoffed. "You think it's that easy?"

He licked his lips, then ran his fingertips down the sides of his trimmed beard.

"You just pop up here after all these years and tell me 'let's meet up later?'" I mocked in a faux deep voice. I arched both brows next. "After everything, can we just meet up later?"

"We can if it's at Coney Island, right?"

I gasped. "You clever motherfucker."

He chuckled sexily, then held a sly smile on his lips.

I looked away to hide my smile and to get the warming of my cheeks under control.

"7pm," he proposed. "The sun will set, and I know how much you love Coney Island at sunset."

I stared at him.

"I can pick you up—"

"I'll meet you there."

He shook his head. "It's not a problem. I can pick you up, and we can drive there together."

"I'd much rather get there alone."

"How can I trust you'll actually meet me there?" He asked. "How do I know you're not telling me you'll meet me there to get me out of your room with no plans to actually show up?"

"Because it's Coney Island." I bit my lip, trying to hide a smile. "You? I'd stand you up. Absolutely. But I'd never miss a date with Coney Island, and you know that."

"Well." He sighed. "I guess I can trust that, huh?"

"Hmph," I huffed. "I guess."

He pointed at my mug. "Enjoy your coffee. I'll see you tonight."

And just like that, he walked out of my room.

With a smooth ass stroll, and all.

Just like that, I was alone again, surrounded by pink, and feeling my heart do leaps.

Like old times.

For days, I have been in the dumps, and within a matter of minutes, Simeon had transformed that feeling into something else.

Something lighter.

Hopeful.

Exciting.

Just by being here.

"God, I hate when he does that." I took another sip of the coffee, closing my eyes and moaning at its perfection. "I love his coffees though. Mmm."

# ABOUT SLOTH

## SLOTH - THE FINAL STANDALONE

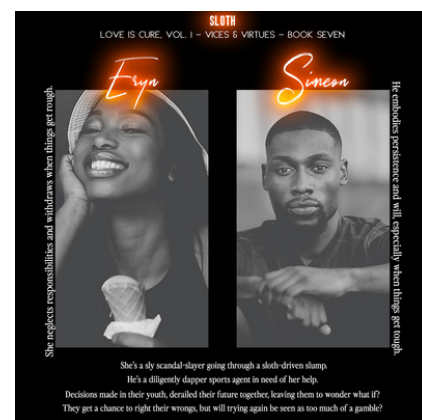

Sloth is not just another romance novel in the Love Is Cure series; it's a deeply emotional journey that explores the complexities of love, redemption, and second chances. What sets Sloth apart is its unique examination of the deadly sin of sloth, presented in a way that resonates deeply with modern readers. Eryn Peters and Simeon King's story is one of raw vulnerability, as they struggle to overcome past mistakes that many can relate to.

Readers will be captivated by Eryn's internal conflict between guilt and the yearning to reconnect, while Simeon's unwavering determination to reclaim a lost love adds a powerful dynamic. The intensity of the narrative is further heightened by a high-stakes scandal, forcing the characters to confront their unresolved emotions head-on. With its richly developed characters, universal themes of love and redemption, and the unique intertwining of sloth and diligence, Sloth offers a compelling conclusion to this standout series.

For readers who crave stories with emotional depth, relatable struggles, and the promise of healing, Sloth provides a memorable and transformative experience. It's a book that challenges both the heart and mind, making it a must-read for those seeking more than just a love story.

# SUMMARY

## QUICK SUMMARY

In *Sloth*, the final installment of the *Love Is Cure* series, Eryn Peters and Simeon King, once destined for a future together, are forced to confront their unresolved past when a career-defining scandal brings them back into each other's lives. As they navigate old wounds and buried feelings, they must decide if love is worth the effort to overcome their mistakes or if their second chance is too much of a gamble. Will diligence and dedication cure a slothful heart, or are some wounds too deep to heal?

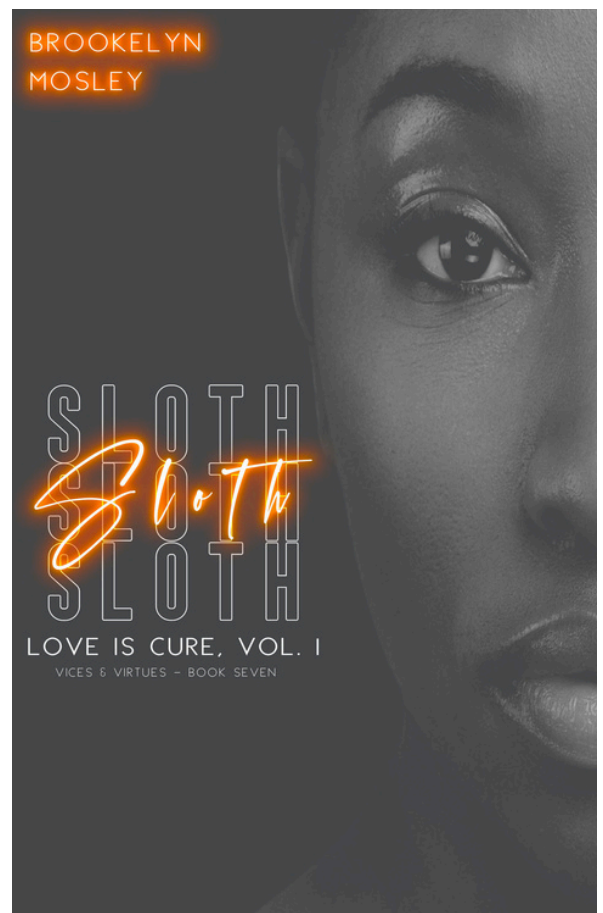

In the final installment of the gripping *Love Is Cure* series, *Sloth* explores the complex and emotionally charged reunion of former lovers Eryn Peters and Simeon King. Once destined for a future together, their youthful decisions derailed their relationship, leaving them both with lingering questions and unhealed wounds.

Eryn Peters is a clever and determined woman who made a tough choice years ago—one that ultimately led to the end of her relationship with Simeon. Now, burdened by guilt and regret, Eryn is stuck in a sloth-driven slump. She has always avoided re-examining their relationship, believing that the work to mend their broken bond would be too painful and fruitless. But when Simeon re-enters her life, needing her expertise to handle a career-defining scandal, Eryn is forced to confront the unresolved feelings she's buried for so long.

Simeon King is a diligent and successful sports agent who has never fully recovered from the heartbreak Eryn caused. Despite his anger and distrust, he has spent years searching for a way to reconnect with her. When a scandal threatens one of his most important clients, Simeon sees an opportunity—not just to save his client, but to finally address the unfinished business between him and Eryn. He's ready to do the work to repair their relationship, but he knows that Eryn's reluctance and avoidance could make it an impossible task.

As they work together, old feelings resurface, and the chemistry that once drew them together burns brighter than ever. Yet, the same obstacles that tore them apart years ago still stand in their way. Eryn and Simeon must decide whether they're willing to put in the effort to heal old wounds and rekindle their love, or if the pain of the past is too much to overcome.

*Sloth* delves deep into the themes of love, redemption, and the struggle between apathy and action. It's a story about two people who must confront their past mistakes, embrace their vulnerabilities, and find the courage to pursue the love they once lost. In the end, they'll discover whether diligence and dedication can truly cure a slothful heart, or if some wounds are too deep to heal.

# KEY POINTS

## AN EXPLORATION OF THE DEADLY SIN OF SLOTH

The novel uniquely ties the concept of sloth—beyond mere laziness, as avoidance and disengagement—into the characters’ personal growth and the obstacles they face.

## COMPLEX AND RELATABLE CHARACTERS

Eryn Peters and Simeon King are multifaceted characters who grapple with real-life challenges—regret, redemption, and the struggle to move forward after heartbreak.

## A BLEND OF ROMANCE AND INTRIGUE

With a scandal threatening to unravel Simeon’s client’s career, Sloth combines the allure of a second-chance romance with the tension of high-stakes drama.

## FOR FANS OF DEEP, CHARACTER-DRIVEN ROMANCE

Sloth is a must-read for those who enjoy richly developed characters, emotional depth, and stories that explore the complexities of love and life’s toughest choices.

## THE FINALE OF THE LOVE IS CURE SERIES

Sloth delivers a powerful and satisfying conclusion to the highly regarded series, bringing closure to Eryn and Simeon’s derailed love story.

# SAMPLE Q & A

WHAT WERE THE MOST CHALLENGING AND REWARDING ASPECTS OF BRINGING THE LOVE IS CURE SERIES TO A CLOSE WITH SLOTH? HOW DID YOU ENSURE A SATISFYING CONCLUSION FOR LONG-TIME READERS?

Sloth has been a story I've had outlined for many years, so writing it came naturally with virtually no challenges. I finished the first draft well ahead of my deadline because of this preparation. Readers have been anticipating this story since book five in the series, so I focused on resolving the relationship between these characters in a way that draws inspiration from the previous books. This approach allowed me to deliver a satisfying conclusion to the series that I believe readers will find fulfilling.

CAN YOU WALK US THROUGH YOUR CREATIVE PROCESS IN PAIRING EACH VICE WITH ITS CORRESPONDING VIRTUE IN THE SERIES? HOW DID YOU USE THE OPPOSITES ATTRACT TROPE TO EXPLORE THESE PAIRINGS?

When I decided to create a series inspired by the seven deadly sins, I discovered that each sin had a corresponding virtue—its perfect opposite. With this knowledge, I paired each vice with its matching virtue and represented them through the characters in my stories. Understanding the traits that define both the vice and the virtue, I developed scenarios and personality types that embodied these qualities. I then let these characters' journeys unfold naturally on the page, allowing the opposites to clash, complement, and ultimately drive the narrative.

IN SLOTH, THE SIN OF SLOTH IS PORTRAYED AS MORE THAN JUST LAZINESS. HOW DID YOU EXPLORE THE DEEPER ASPECTS OF THIS VICE, AND WHAT ROLE DOES DILIGENCE PLAY IN THE CHARACTERS' JOURNEYS?

To explore the deeper aspects of sloth, I focused on inner work and created a character prone to avoidance. Eryn has the potential for diligence, but it's misguided. Her journey is about reconnecting with that virtue, guided by Simeon, who embodies diligence in every aspect of his life and helps Eryn find her way back to it.
